

Summer Reading Assignments 2021-22

DMS Grade 6 and Honors Grade 6 Language Arts

Percy Jackson: The Lightning Thief by Rick Riordan

LMS Grade 6 and Honors Grade 6 Language Arts

Restart by Gordon Korman

Overview of the Grade 6 Summer Reading Unit

Discovery Middle School and Liberty Middle School sixth-grade students will use the summer reading texts to review the Language Arts power literature standards from fifth grade: citing text evidence, making inferences, comparing and contrasting characters, identifying themes, and creating summaries. Students will practice the skill of citing text evidence and demonstrate the ability to make inferences from literary and informational texts. They will also review how to determine a theme of the text and analyze its development in the novel. Students will also compare and contrast the characters in the novel by completing various activities in class. Additionally, students will learn summarizing strategies and create summaries free from personal opinions or judgment.
