Overview of the Grade 6 Summer Reading Unit

Discovery Middle School, Journey Middle School, and Liberty Middle School sixth-grade students will use the summer reading texts to review the Language Arts power literature standards from fifth grade: citing text evidence, making inferences, comparing and contrasting characters, identifying themes, distinguishing between similes and metaphors, and creating summaries. Students will practice the skill of citing text evidence and demonstrate the ability to make inferences from literary texts. They will also review how to determine a theme of the text and analyze its development in the novel. Students will also compare and contrast the characters in the novel by completing various activities in class. Additionally, students will learn summarizing strategies and create an informative response using the CDC writing strategy.

Sixth Grade Standards

Critical Literacy	Language Literacy	Vocabulary Literacy	Recurring Standards
6.3 6.4 6.7 6.8 6.9	6.16 6.19	6.28 6.29	R1 R2 R5
